

Fossil Cove Brewing Co., located in Fayetteville, AR is seeking a part time Cellar Person. The qualified candidate will work with teams across all aspects of brewing, packaging and distribution to support daily operations at our production facility. This position requires the candidate to work safely in a brewery environment while maintaining a positive attitude and high quality work standards. We value an individual with a passion for great beer, a willingness to learn and grow with us, dedication to quality, a strong work ethic, and the ability to take on physical tasks while working effectively as an individual and as a team member. No previous brewery experience is required for this position but a passion for craft beer, cleanliness, quality workmanship and desire to learn is non-negotiable.

If interested please send your resume and cover letter to Scott at: scott@fossilcovebrewing.com
